

Our Big Plan 2022-25

We have launched our Big Plan 2022-25 for delivering homes we are proud of and improving lives.

Our Big Plan is our route map to providing our customers with great services, great homes, great neighbourhoods and being a great company.

The two years leading up to this Big Plan have been dominated by the COVID-19 pandemic and throughout this period we rose to the challenge, providing critical services to our customers and communities and adopting more flexible, creative and intuitive ways of working.

We are now building on that over the next three years, so we can keep improving what and how we deliver our services and adding value to everything we do.

Working closely with our partners to make a positive difference in our communities is an important part of our big plan and we're excited about what we can achieve together.
